

WILL PUSH THE NORTH STAR WINZE  
AND CROWD CROSSCUT ON 1250 LEVEL

Hernando Zadic, president of the North Star, came in this morning for a two day stay in camp to inspect developments on his property here. Mr. Zadic is accompanied by Tom F. McCormick of Virginia City, superintendent of the Con. Virginia and Copper, and William B. Daniels, mine operator of San Francisco. Shortly after registering at the Elmhurst, Mr. Zadic, accompanied by Superintendent McCormick, went to the North Star for the purpose of making an exhaustive examination of the improvements that have been made since the last visit of the old Comstocker to this camp.

"We will be through putting in pipe the latter part of this week," said Mr. Zadic, "and should be able to start the compressor by the first of next week. We are also cutting a station for the electric hoist on the

1250 which will enable us to sink the mine to the 1150 with the least possible delay. This will enable the company to begin crosscutting on the 1150 and operate so as to connect and open the two levels at the same time. The sinking of the mine is the most important work on the property for as soon as that is finished the management can speak authoritatively about an increase in the tonnage."

Regarding the production for the month of August Mr. Zadic said he would not have the figures from the Western Ore Purchasing company until after the tenth. Referring to some criticism of the expediency of contracting with the latter company he said the Ore Purchasing company made more favorable terms than what the old Belmont mill offered.

REVENUE  
RAISED  
BY TAX

PROGRESSIVES WOULD HAVE INHERITANCE TAX OF SEVENTY-FIVE PERCENT.

(By Associated Press.) WASHINGTON, Sept. 8.—In the tariff debate today Senator Norris, progressive republican, called up the amendment proposing an inheritance tax of one per cent on \$50,000 to 75 percent exceeding \$50,000,000. He cited the case of Vincent Astor, saying he did nothing to accumulate the \$50,000,000 received from his father.

Under the proposed amendment Astor would pay the government \$43,799,500, and retain more than \$56,000,000.

Senator Clapp said he would support the amendment, although he believed the time had arrived when the government should go further, and not allow people of great wealth to "take what does not belong to them from the people."

GUNBOATS  
SHOOTING  
UP TOWN

AMERICAN WAR VESSELS ORDERED TO LOOK AFTER HOME INTERESTS.

(By Associated Press.) WASHINGTON, Sept. 8.—Puerto Plata, in Dominican republic, where a revolution is progressing, is being shelled by Dominican gunboats with great danger to American lives and property according to reports today from Jose Esteve, American vice consul there.

The gunboat Des Moines is enroute, having been ordered there several days ago, and is due tomorrow.

The Dominican navy consists of two or three converted yachts armed with six pounders and machine guns. These could cause great damage to unfortified Puerto Plata, which is largely of wooden construction. The customs house is under American supervision. Interference with its operations would warrant intervention on the part of Commander Long of the Des Moines.

Goldfield Nine Outmatched  
By Tonopah's Superb Team

Goldfield was beaten by the Tonopah nine yesterday afternoon at Recreation park by the score of 18 to 5. About 50 Goldfield fans motored over from Goldfield. The grandstand was packed to its fullest capacity and everyone was ready to yell for his home team. Jack Thompson umpired the game, which was called promptly at 2:30.

The battery for Tonopah were Prout and Willett; for Goldfield, Williams and Hogan.

In the second inning Johnnie Morrison was put in the pitcher's box. The bases were filled, with Hatton holding the willow and he scored bringing two men running home. The next man, Peck, knocked a single and brought in two more men. Johnnie hit Hunter in the hand and the batter was called out.

Nothing more happened until the fourth when Tonopah made a double out. Harris received the ball from the batter, running to second, put his man out and then threw the ball to McDonnell, who put a man out there. In the last half of the fourth Goldfield changed their batteries. Hogan and Williams batted the rest of the game out. Peck made a home run in the fourth. He lined a two bagger, but the right fielder couldn't find the ball, because it was in some weeds, until he came home.

Goldfield braced up and played a dandy game beginning with the fifth inning. If they had played at first as they did after the fifth they would not have been beaten so badly. Tonopah managed to score some more runs and Goldfield added a few more.

to their score. The line up for both teams was as follows:
